Throughout this catalog, icons are used to identify urns that accept various types of personalization.

Personalization choices include:

Engraving

Engraving completes any urn for your loved one, making it more personal and unique. Our talented craftsmen can engrave a number of emblems or text in a variety of font styles.

Appliqués

Appliqués are available in a variety of special symbols and images. Military and other organization emblems are available in a stately aged bronze color.

Charms

A tall, slender, metallic vase with a faceted top and abstract dark patterns, set against a bright background. The vase is the central focus, featuring a series of dark, angular, and curved patterns that create a sense of movement and depth. The background is a bright, out-of-focus interior space with a window and a patterned object in the lower right corner.

NATURAL STONE

Natural stone urns offer the elegance of natural beauty combined with the visual interests of color and texture variety. No two pieces are alike, and natural variations of color and design will occur. These are not flaws, but are indicative of the way that naturally-occurring stone develops in nature. Our alabaster, jade and marble urns are a stunning representation of your loved one, and offer a peaceful addition to your home décor or niche.

Made of a mixture of bamboo fibers and other biodegradable materials, the Biotree Urn provides a more sophisticated and contemporary solution to a loved one's desire to return to the earth after life. The unique design and processing method ensures healthy growth of the provided tree seeds.

BIOTREE®: HOW IT WORKS

Add cremated remains to the base of the Biotree Urn.

Plant seeds redeemed from the provided seed certificate, or purchase tree sapling.

Just add water. No need to add soil, and the Biotree will treat the cremated remains.

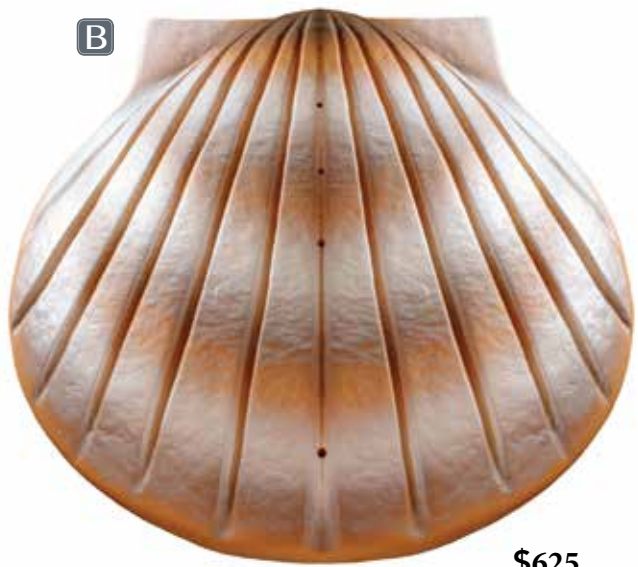

Watch a loved one become a tree. Biotree Urn may be kept inside until it begins to crack, then it is time to plant the urn.

The Biotree Urn and cremated remains are returned to nature as the tree grows.

Using the included tag, the location of the tree can be geotagged and families can create an online memorial to share with friends and family.

Why Families Choose Us

LA Cremation was established in 1992 to offer very low cost cremation direct to the public by a 115+ year old company that has operated its own crematory since 1929. We have been proudly serving ever since and remain one of the lowest cost providers in Los Angeles County. Our clients continue to choose us because they do not have to compromise quality service for affordability. Our friendly, knowledgeable staff is here to guide you through every step. We never outsource cremations: your loved one stays in our expert care.
